

Sovereign Sanctuary — Coach Portal Feature Guide

Complete UX Feature List for Coach Users

February 2026

Coach Portal — Complete Feature Guide

Portal Overview

Coaches access the platform via **coach.sovereignsanctuary.net** with a dedicated login portal separated from client and admin access. The Coach Portal consists of 7 primary tabs plus a full settings screen.

Tab	Purpose
Clients	View and manage assigned clients
Calendar	Schedule, approve, and manage sessions
Sessions	Review past sessions with AI analysis
Ask Nate	AI assistant for coaching guidance
Briefings	Client folders, notes, and observations
Dojo	Adversarial training simulations
Financials	Earnings, fees, tax documents

1. Clients Tab

Client List

- View all assigned clients with active count
- Search and filter by name, family, or company
- Folder grouping: Family folders, Company folders, Coach-Only folders

Client Cards

Each client card displays:

- Name and client ID
- Subscription tier badge (Top Tier highlighted in gold with star)
- Risk badge (if applicable)
- Next session date and time indicator

Quick Actions Per Client

Action	Description
Join Session	Launch Zoom link for upcoming session

Action	Description
Ask Nate	Query Nate AI about this specific client
Pre-Brief	View AI-generated pre-session briefing
History	View complete session history
Send Message	Send a message via Little Nate

2. Calendar Tab

Monthly Calendar View

- Navigate by month with today highlight
- Session indicators on days with bookings
- Day selection shows that day's session list

Session Cards

Each session displays:

Field	Detail
Client Name	Name and tier badge
Date and Time	Scheduled start time
Session Type	Individual, Couple, Family, Group, Crisis, or Follow-up
Duration	Session length (5–480 minutes)
Platform	Zoom, In-Person, Phone, or Sanctuary
Status	Confirmed or Pending

Calendar Actions

Action	Description
Add Availability	Set available time slots by day/time
Join Zoom	Launch Zoom meeting for session
Cancel Session	Cancel with reason (24-hour policy)
Reschedule	Move session to a new date/time

Pending Bookings Approval

When clients request sessions, coaches see:

- Client name, requested date and time, duration
- Fee breakdown: Session Fee, Platform Fee (30%, min \$30), Net Payout
- Approve or Decline buttons with optional decline reason

3. Sessions Tab

Session Filters

Filter	Shows
All Sessions	Complete session history
This Week	Sessions from the last 7 days
Family Only	Family therapy sessions
Needs Review	Sessions not yet reviewed by coach

Session Cards

Each recorded session shows:

- Client name and session date
- Tier badge and family session badge
- Duration and platform
- Biometrics captured indicator
- AI analyzed indicator

Session Actions

Action	Description
Get Coaching Advice	AI-generated post-session analysis
Playback	Review session recording
Save to Client File	Save analysis to client folder
Export	Export session notes as text

Post-Session Coaching Advice (AI-Generated)

Section	Content
Session Context	Client name, date, duration
Key Observations	Main observation and recommendation
Session Biometrics	Engagement %, Emotional Range %, Stress Level %, Openness %
Notable Moments	Timestamped moments with descriptions
Next Session Suggestions	AI recommendations for follow-up

4. Ask Nate AI Tab

Chat Interface

- Full text conversation with Little Nate in coach-guidance mode
- Client context selector: query about a specific client or all clients
- Nate uses COACH_HELP_SYSTEM_PROMPT (platform guide, not therapy mode)

Quick Questions

- “Recent breakthroughs?”
- “Family dynamics”
- “Emotional patterns”
- “Session themes”
- “Risk indicators”

Voice Features

Feature	Description
Speech-to-Text	Dictate messages via microphone
Text-to-Speech	Nate reads responses aloud
Voice Commands	“Send message,” “Read it back,” “Clear all,” “Delete last sentence,” “Replace [text] with [text]”

5. Briefings Tab

Client Folders

- Organized by client, family, or company
- Persistent notes and observations across sessions

Pre-Session Brief (AI-Generated)

Section	Content
Upcoming Session Alert	Next session date/time with Join Zoom button
Client Profile	Name, tier, total sessions, client-since date
Mood Indicator	Recent AI session mood with date
Topics to Address	Color-coded: caution (red), positive (green), normal
Recent Breakthroughs	Client breakthrough moments
Family Context	Family members, relationships, warnings
Little Nate’s Suggestion	AI-recommended session approach
Nevedal Metrics	C_emo, GAP, Quantum scores, risk level

Live Session Notes

- Add real-time notes during active sessions
- Notes saved to client folder
- PII detection and redaction on submitted notes

6. Dojo Tab (Training)

Adversarial Training

- Practice therapeutic responses against AI personas
- Persona types: Hostile, Manipulative, Crisis, and more
- Real-time AI feedback on coaching technique

Dojo Subscriptions

- Subscribe to individual Dojo training modules
- 12-month subscription terms
- Tiered discounts: 1 Dojo = 0%, 2 = 5%, 3 = 10%, 4 = 15%, 5 = 20%, 6+ = 25%

Night School Integration

- Share learnings and insights from Dojo sessions
 - Contributions go to coach learning queue (admin-approved or auto-approved)
 - Approved learnings feed into platform-wide Night School AI training
-

7. Financials Tab

Earnings Overview Cards

Metric	Description
This Month	Current month earnings
Year to Date	Total earnings YTD
Platform Fees (Month)	Fees paid to platform this month
Platform Fees (YTD)	Total platform fees YTD
Net Payout (YTD)	Total coach payout after fees
Sessions Billed	Total billable sessions

Coaching Rate Editor

- Set hourly coaching fee (\$/session)
- Platform fee calculation displayed (30%, minimum \$30)
- Update rate button

Payment Mode

Mode	Description
Coach Handles Payment	Coach collects from client directly; platform charges fee
Platform Handles Payment	Client pays platform; platform disburses 70% to coach

Transaction Ledger

- Complete list of all session transactions
- Each entry shows: client name, date, gross fee, platform fee, net payout, status
- Status: Recorded, Paid, Disbursed

Tax Documents

Document	Detail
W-9 Status	Submitted / Not Submitted
1099-NEC Status	Required if YTD earnings $\geq$ \$600
Address Verified	USPS address verification status
TIN Document	SSN/EIN on file status

Coach Settings

Profile Management

Setting	Description
Email	Editable email address
Phone	Editable phone number
Specialties	Coaching specializations
Coaching Style	Directive, Reflective, or Integrative
Zoom Link	Personal Zoom meeting link
Emergency Contact	Emergency contact information
Timezone	Display timezone preference

Practice and Fees

Setting	Description
Coaching Fee (\$/hr)	Set hourly rate
Payment Mode	Coach Handles or Platform Handles
Platform Fee	30% of coach fee, minimum \$30

Client Management

Action	Description
Invite Client	Send signup invitation via email or SMS
Tier Selection	Set client tier: Standard, Coach-Only, or Sovereign Circle

Notification Preferences

Toggle	Description
New Client Alerts	Notify when new client is assigned
Session Reminders	24-hour session reminders
Crisis Alerts	Alert when assigned client triggers crisis
Night School Updates	Updates on AI training insights

Coach Tools

Tool	Description
Night School	Access AI training and wisdom system
AI Modes	Select AI mode (Tri-Corder, Archivist, Guardian, Supervisor)

Security

Feature	Description
Biometric Login	Face ID / Fingerprint authentication

Feature	Description
Quick Login	Web fallback authentication

Account

Action	Description
Delete Account	30-day recovery window
Logout	Sign out of coach portal

Coach Registration and Verification

Registration Requirements

Requirement	Detail
Personal Info	Name, DOB, email, phone
Credentials	Username, password
W-9 Form	Legal name, address, TIN, tax classification, certification, signature
Address Validation	USPS address verification
Document Upload	W-9 photo or PDF

Verification Flow

1. Coach submits registration with W-9 data
2. Status set to `PENDING\_VERIFICATION`
3. Admin reviews profile, documents, and credentials
4. Admin approves or rejects with notes
5. Approved coaches receive **ACTIVE** status and **VERIFIED** certification
6. Beta invite code bypass available for auto-approval

Coach-Client Matching (AI-Powered)

Factor	Weight
Specialty Alignment	30%
Coherence Compatibility	25%
Coach Performance History	20%
Night School Observations	25%

The matching algorithm outputs top 3 coach suggestions with compatibility scores and reasoning for each match.

Revenue Model

Session Pack Pricing (Purchased by Clients)

Pack	Price	Per Session	Coach Payout (70%)	Platform Fee (30%)
Single	\$175	\$175	\$122.50	\$52.50
4-Pack	\$600	\$150	\$105.00	\$45.00
8-Pack	\$1,120	\$140	\$98.00	\$42.00

Coach Plan

Plan	Price	Includes
Coach-Only	\$0/month	Scheduling, client management, Dojo, Financials

Coaches do not pay a subscription fee. Revenue is earned per session with a 70/30 split (coach/platform).

Coach Performance Metrics (Admin Visible)

Metric	Description
Total Sessions	Lifetime session count
Active Clients	Currently assigned clients
Breakthroughs	Client breakthrough moments facilitated
Retention Rate	Client retention percentage
Satisfaction	Average client rating
Sessions/Week	Weekly session volume
AI Collaboration Score	How effectively coach uses Nate AI
Revenue (YTD)	Total gross fees generated
