

Sovereign Sanctuary — Sovereign Circle Feature Guide

Complete UX Feature List for Top-Tier Clients (\$149/month)

February 2026

Sovereign Circle — Complete Feature Guide

Core AI Access

Feature	Detail
AI Tokens	200,000 per month
AI Minutes	Unlimited
Text Conversations	Unlimited, 24/7 availability
Realtime Voice	Full two-way interactive voice via Azure OpenAI Realtime API
TTS Read-Aloud	Nate reads responses aloud
Voice Biometrics	Pitch, energy, speech rate, pause ratio analysis

Sovereign Circle Exclusives

Avatar Mode

3D animated Little Nate companion with 12 real-time facial expressions: neutral, empathetic, proud, sad, calming, frustrated, curious, attentive, warm, thoughtful, validating, and encouraging. Expressions match conversation sentiment in real time. Accessible via toggle in the top-right of the chat interface.

Me-2-Me Identity System

Personal identity system for self-reflection, identity crystals, and family fabrics. Enables deep personal insight work with Nate as a guide.

Secure Search

Privacy-protected web search with Nate’s guidance, secured with TOTP two-factor authentication.

Night School

AI training and wisdom system access. Nate continuously learns and refines his therapeutic approach.

Nate Organizer

AI-guided document organization designed with a voice-first interface for accessibility, including users with disabilities.

Priority Support

Priority customer support access with faster response times.

Advanced Insights

Enhanced analytics and session insights for deeper understanding of therapeutic progress.
