

NICC - What's It Sound Like?
v.3.18.23

Get Started (5 Minutes): Check-In, Get-In-Sync, share **Headlines**, review **Anchor**, and agree on the **Starting Focus**.

Task #1 – Get Started (P1) Check-In, Get-in-Sync, Headlines, Anchor Review, and Starting Focus.

START HERE: Feelings Work

Defensive Parts	Defensive Phase	
	Task #2 – Connection/Start-Here (P1)	Establish safety and attuned BrainSync. (P1 – Defensive Phase) <u>3. Embodied Spirituality</u> • "What's coming up right now? I am noticing..." (moment-to-moment tracking, entry to here-and-now, noticing) • "What just happened?" (moment-to-moment tracking, entry to here-and-now, noticing) • "I see tears..." (moment-to-moment tracking, entry to here-and-now, noticing) • "Feel your back being supported by the chair." (noticing) • "Notice your feet on the ground put a little pressure there feel the support underneath you." (noticing) <u>4. BrainSync</u> • "Let's take a deep breath together." (sharing, baring)

	Task #3 – Befriend (P1)	Greet, Welcome, and Befriend Defensive Parts (P1 – Defensive Phase) <u>3. Embodied Spirituality</u> • “Can we slow down a minute there is so much there?” (pacing) • “Let’s make some space for this...” (pacing) • “Can we pause here for a moment?” (pacing) • “Just notice what you are feeling energetically.” (notice, listen to nervous system) • “What are you experiencing in your body as you say this?” (notice, listen to nervous system, entry into here and now) • “This is from your head, your very smart part, can we see what your heart has to say?” (notice, listen to nervous system, entry into here and now) <u>7. Self-Compassion</u> • “You were very strong to survive that as a child.” (welcome part, validate part, reframe part) • “You creatively found a way to get through.” (validate part, reframe part) • “You are doing a great job.” (validate part) • “Of course you had to learn to not feel -- feeling wasn’t safe in your home growing up!” (validate part, reframe part) • “This way of being makes so much sense given all you have been through.” (validate part, reframe part) • “I notice every time I ask you how you feel you tell me what you think? Do you notice that too? Would it be OK to look at that together?” (notice, welcome part) • “Each time we talk about your dad, you change the subject. Can we be curious about that together?” (notice, welcome part) • “That pushing away of feeling and isolating yourself let you survive your childhood. Today it keeps you lonely. Can we look at that together?” (validate part, reframe part) <u>10. Mismatch</u> • “I wonder if there are other ways of protecting yourself now.” (reframe experience, identify mismatch) • “Would it be OK if we didn’t go out of order here and stayed with what came up first?” (following feelings) <u>8. Imagery</u> • “Is there an image that comes to you as you say this?” (imagery naming) <u>9. Feelings</u> • “There are some feelings coming up about that.” (noticing feelings) • “Are you feeling some of that right now?” (noticing feelings) • “I see tears. Are there words there as well...” (naming feelings) • “I see so much close to the surface... Tell me.” (noticing feelings, welcoming) • “I notice a flicker of sadness in your eyes/face, can we stay with that...” (noticing feelings, heightening feelings) <u>5. Thrive Drive Spotlight</u> • “I’m so grateful you found a way to protect and defend yourself” (noticing thrive drive, celebrate thrive drive) • “This way of being was what let you be here today.” (noticing thrive drive, celebrate thrive drive)
Red Zone		
“Relax” Line		

Wounded Parts	Open-Hearted Phase	
	Task #4 – Feel-It-Thru (P2)	Feelings Work, Imagery Work (P2 – Open-Hearted Phase) <u>9. Feelings</u> “I’m hearing some anger creep into your voice.” (noticing, naming) “Your face looks so sad right now.” (noticing, naming) “What’s that hand doing? Just notice the sensation there.” (noticing, naming) “Can we stay with what’s coming up?” (noticing, heightening) “Let’s make room for this together.” (noticing, heightening, deepening, pacing) “Just let that sadness/anger/fear come.” (completing feelings) “Can we welcome that feeling?” (noticing, welcoming) “Let’s give this all the room it deserves.” (completing feelings, pacing) “How is that anger speaking to you?” (noticing, naming) “Is there more?” (completing feelings) “Are there any impulses or movements that anger wants to do?” (naming, discerning action) “Does it feel like you are on the other side of this feeling?” (completing feelings) <u>4. BrainSync</u> “Can you feel me here with you with that pain/grief/anger?” (baring) “Can that pain feel our presence/attention reach it?” (baring) <u>3. Embodied Spirituality</u> “Where do you notice that in your body?” (listen to nervous system)
	Task #5 – Transform Wounded Parts (P2)	Near Past and Far Past Bridging, Caring for Wounded Parts, Mismatching Experiences (P2 – Open-Hearted Phase) <u>10. Mismatch</u> “Are there any impulses or movements that anger wants to do?” (identify mismatch) “Is it ok if we go back in time to that scene/memory/encounter/person?” (following feelings, bridging) “When do you remember feeling this most intensely in your life? Can we go to that moment?” (follow feelings, identify mismatch, bridging) “As you share this with me is there something you would want to say to your Dad right now?” (enact mismatch) <u>8. Imagery</u> “Is there some scene that would let us more fully connect to this?” (process feelings)
“Relief” Line <u>9. Feelings</u> “That was a big breath, tell me...” (verifying completion)		
	Replay Phase	
	Task #6 – (r)eplay (P3)	Replay experiences feeling-it-thru and transforming wounded parts. (P3 – Replay Phase) <u>11. Replay</u> “How are you doing right now?” (intra-personal reflection) “How am I doing? Am I getting this?” (inter-personal reflection) “How are we doing?” (inter-personal reflection)

		• "What's it like having just experienced all that emotion?" (intra-personal reflection) • "What's it like to have just done that?" (intra-personal reflection) • "How has your thinking changed having felt this?" (facilitate new narrative) • "How do you feel toward yourself for having done this?" (intra-personal reflection, name the emerging) • "What's it like to have just done that with me?" (inter-personal reflection, name the emerging) • "What do you notice on the other side of that wave?" (intra-personal reflection, name the emerging) • "What feelings/sensations are coming up now?" (intra-personal reflection, name the emerging) • "Let's just stay with what's happening now." (intra-personal reflection) • "Sometimes the new can feel a little scary/shaky/surreal." (name the emerging, validating) • "It's really ok/normal to feel weird after having that much emotion." (name the emerging, validation) 4. BrainSync • "I'm right here with you in this newness." (sharing) • "We can be with this together." (sharing) 13. Thriving • "Wow!" (share thriving, self-disclosure, delighting) • "Whoa!" (share thriving, self-disclosure, delighting) • "I'm feeling awe at what you just did!" (share thriving, self-disclosure, delighting) • "Amazing!" (share thriving, self-disclosure, delighting) • "It feels so good to witness you in this place." (share thriving, self-disclosure, delighting) • "I feel so happy for you!" (share thriving, self-disclosure, delighting)
	Task #7 – Anchor (P3)	Anchor transformation. (P3 – Replay Phase) 11. Replay • "How might this work go with you and inform you in the week ahead?" (co-construct anchor) • "Is there a phrase that would capture what you are taking away from this experience?" (co-construct anchor) • "Can we connect this experience to an object as a reminder of what has happened here today?" (co-construct anchor)
	Thriving “HOME” Phase	
	Task #8 – Soak It Up (P4)	Facilitate Soaking Up Thriving experience. (P4 – Thriving Phase) 13. Thriving • "This seems so right say more..." (share thriving) • "It is my privilege to have gone through this with you today." (share thriving, delighting) • "I am so struck by the change in your voice, in your face in how you are sitting here right now." (share thriving, delighting) • "Thank you for trusting me to do this work with you." (share thriving, self-disclosure, delighting)

Wrap-UP (10 Minutes): (5 min) Meeting Replay & Anchor + (5 min) Housekeeping Anchor:

Task #9 – Wrap-Up

Meeting Replay, Anchor Review, Housekeeping.

11. Replay

- "What was it like to have done all this work together today?" (inter-personal reflection)

- "What was it like to have started in that place and to be leaving in this place?" (**intra-personal reflection**)
- "How might this work go with you and inform you in the week ahead?" (**co-construct anchor**)
